Register Now for Women's Build Day

Celebrate International Women's Day by joining us for Women Build Day this March!

Register today and help us build a stronger future together!

Join us on Giving Tuesday for a Chili Cookoff!

The event is free to attend. We ask guests to make a donation if they are able before filling their plate.

Want to participate?

- Enter the Chili Cookoff! Entry is any donation to SBCHFH.
- Set up a vendor booth for just $50.
- Local businesses are invited to donate items for our gift basket, which will go home with the winning chili team!

We Moved Offices!

Thank you to board member Shelby Fryman and Messer Construction for helping us move offices! We appreciate your hard work in this process.

130 North Hamilton St. Suite 201
Georgetown, KY 40324

Georgetown, KY 40324

WE ARE THANKFUL!

Bourbon County High School

We attended Bourbon County High School's job fair where we had the opportunity to speak with the next generation about our mission. Over 30 students expressed interest in volunteering or attending a construction camp with us in the future!

Georgetown Rotary Club

Lena joined the Georgetown Rotary Club to discuss the partnership between Rotary International and Habitat for Humanity International and opportunities to strengthen that partnership locally.

Rotary members also helped assemble Blessing Boxes for Habitat!

Georgetown College

A big thank you to Georgetown College for sending two groups of students and staff to volunteer with Habitat! Volunteers helped with a veteran yard cleanup and provided valuable administrative support in our office. We appreciate their time, hard work, and commitment to serving our community!

GRACE CHRISTIAN

Grace Christian Church assisted us in cleaning up a yard for a veteran in Scott County. Their hard work made a world of difference to the homeowner.

Bluegrass Community & Technical College

Over two days, volunteers from BCTC joined us to make a difference in our community! They helped with a deck repair for a local senior couple and painted inside the home for a veteran. We are grateful for their time, hard work, and commitment to helping our neighbors in need!

Habitat International Conference

Lena had the opportunity to attend the Habitat for Humanity International Conference, where she learned more about the many programs, resources, and opportunities available through Habitat International. She brought back valuable knowledge and new ideas that we look forward to exploring and putting into action within our local community.

KOHL'S

Georgetown Kohl's has chosen us as recipients of their annual Kohl's Shopping Grant. We can use this grant to shop in their store, helping us access supplies and resources to support our work in the community.

HAPPY THANKSGIVING

Get involved with Scott & Bourbon Counties Habitat for Humanity!

Whether you volunteer your time, donate, partner with us, or help spread the word, there are so many ways to support our mission of building homes, communities, and hope. Every helping hand makes a difference!
